From Our Pastor

All Saints

November 1 or the first Sunday in November is a day of remembrance for the saints. We remember and celebrate the communion of the saints of the church universal and those who were members of Round Hill UMC. The following names are the saints from Round Hill who passed between Charge Conference October 13, 2019 and Charge Conference September 27, 2020:

Burgess L. "Buck" Hoffman December 27, 1924 – February 28, 2020.

We remember and give thanks to God for Burgess on All Saints day.

Charles Wesley's first verse of "Come, Let Us Join Our Friends Above."

"Come, let us join our friends above who have obtained the prize, and on eagles' wings of love to celestial rise. Let saints on earth unite to sing with those to glory gone, for all the servants of our King in earth and heaven are one."

The last verse encourages us to sing faithfully while on earth, so we too might join the heavenly chorus one day.

"Our spirits too small quickly join, like theirs with glory crowned, and shout to see our Captain's sign, to hear the trumpet sound. O that we now might grasp our Guide! O that the word were given! Come, Lord of Hosts, the waves divide, and land us all in heaven."

Blessings,

Pastor Larry

TRUSTEES CORNER

Stain Glass of Shenandoah, has returned the Stain Glass window of Jesus to the front of the Sanctuary, along with a protective safety glass window on the outside, protecting the Stain Glass from the weather and elements. They will finish the rest of the Stain Glass church windows as they have time in the near future.

The trustees approved to move forward with a 32 x 98 picnic shelter, with at least 20 feet being enclosed to allow for storage, doing away with the sea container in the parking lot and the shed beside the church. The Church Council will discuss and vote at their November meeting before we can sign a contract to purchase the picnic shelter.

The Trustees received no sealed bids for the sale of the 2000 Toyota (Red) Van. It was decided to donate the Toyota Van to a nonprofit charity (Cars Changing Lives) who will recondition the van, preform all safety checks and donate the van to a family who is in need of a vehicle. They had 44 families on the waiting list when we delivered the van to them.

The church grass and property have been looking better lately, as we met with our lawn mowing service to discuss the church property needing more attention to grass mowing and trimming in areas that were not being done often enough.

The Trustees want to thank everyone for their support in the past and look forward to what God's plan is for Round Hill United Methodist Church.

If you have any questions, please feel free to contact anyone on the Board of Trustees or the Church Secretary, Rebekah Witt.

Trustees for 2020 are:
Rocky Keplinger (Chair), Jeff McKay (Vice Chair), Sandy Miller (Treasurer), Kim Black (Secretary), David Fletcher, Julie Curd, Steve Gray, Kirk Clevenger and Steve Campbell

Although we are seeing "Open for Business" signs slowly reappearing, what that business looks like may be different than it was a year ago. Businesses have had to choose between curbside service, in store pick and full service as a way to adapt and survive in the current economy. We have all had to adjust to how we do the normal and the way that we minister has had to change as well. When everything shut down this spring many of us thought that it would be an inconvenience, but it would pass quickly and we would move on. We took a few weeks off, learned how to bake bread, had a little fun, stocked up on toilet paper, did a thousand little projects around the house and waited for the storm to pass. Then we continued to wait; a few weeks turned to months, we lost track of time, day and season. It was easy to feel down with all the "lost" time, and social distance from our friends and family. During this time, a lot of our normals fell to the wayside as we tried to figure out how to reinvent what we had already been doing for a long time. As the director of the Youth Ministries of the church, I struggled to find a new path to the same destination. Physical separation drained the momentum that we were traveling on pre-COVID and I struggled with finding a new road to minister to the youth outside of our normal constructs. We are still a ministry of mission, through fellowship, compassion, and service. I envision that just getting stronger, from a safe distance as we begin to open up the physical church in more ways. The Church has never stopped working, even if we could not be together in person. The love of Christ has always been with us and we now will begin to let his love shine even brighter as we begin again.

The VAUMC has lightened some of the restrictions on how / where we can meet in small groups.
The Youth Ministries of RHUMC is actively working on plans to meet in-person as a group for devotions, fellowship, and support.
Sorry you'll have to bring your own snacks.

I pray that you return with me soon so that we can continue this journey together.
